Volunteers Wanted!

The Newton County Library is in search of hosts for Yoga, TAI CHI, Pilates, or any program you are interested in volunteering your time for. We are looking for someone to start an Adulting 101 class. If you have time and the interest to make our community stronger, please consider giving back and gaining rewards for doing so. We have rooms to use and would like to see them utilized. If you are interested in just doing 1 segment—like changing a tire and checking your oil—we can set you up for 1 segment. Another person could do the next segment of how to balance a checkbook and set up an account at a local bank. Another segment could focus on cooking and how to read a recipe, maybe even cooking in a microwave or coffee pot for college dorm rooms. Another segment could offer staying safe and healthy while traveling. If you have a talent and would like to share it, please contact us.
