Plant Sale Prep

If you are donating plants for the sale...

Plants may be brought to the library the week of April 14-20. Please label each individual plant. If you'd like to give some info on the plant, we can keep the paper with your plants. We appreciate anything you can bring, especially tomatoes, peppers, and any other veggies. Have you come across hollow logs, old boots, or shoes that could be used for planters?

Raffle items are greatly appreciated as well!

Contact the library for more information.

Plant Sale: April 27

Writers' Workshop, Pt. 2

Led by Carla Ramsey Weeks

Saturday, March 30 from 11:00 a.m. to 2:00 p.m.

Contact the library to reserve your seat for Writers' Workshop, Part 2! Local author Carla Ramsey Weeks will guide participants through workshopping their writing and offering and receiving constructive feedback. Attendees are expected to bring their own material in any genre of their preference (short story, essay, novel chapter, poem, etc.) and share their work with others participating in this workshop.

Do you want to start a writers' group?

NCL hopes that Carla's workshops will lead to the formation of your own writers' group (or groups)! The library would be happy to provide space and schedule time for writers' group meetings. This is an excellent opportunity to make plans and develop your writing skills with other local writers!
